Remarks

****Well maintained, thoughtfully updated, and offering flexible living spaces throughout, come see everything this home has to offer!**** Move-in ready and beautifully maintained, this home offers more living space than you might expect! The main level features two comfortable bedrooms plus an impressive family room addition with a cozy gas fireplace framed by custom built-in shelving, the perfect space for relaxing, entertaining, or gathering with family. The spacious living room and formal dining area feature hardwood floors, while the kitchen offers stainless steel appliances and plenty of counter space. Newer picture windows (2021) bring great natural light into both the front and back of the home, with window blinds throughout the main level. Need even more space? The finished basement provides tremendous flexibility for a guest area, home office, recreation room, workout space, or more, along with a second full bath. Outside, enjoy a privacy-fenced backyard with a patio and sprinkler system. Major updates offer added peace of mind, including a 50-gallon water heater (2021), roof (2023), HVAC (2023), and new driveway (2026). Conveniently located within walking distance of John T. DuFour Park, with playgrounds, tennis courts, and plenty of outdoor recreation nearby.
